OUR *FUTURE*

AGI SURETRACK

GROW FOR A **PURPOSE**

AGI SURETRACK

YOUR PARTNER IN AGRICULTURE

Presented by Ian Wade

December 10, 2019

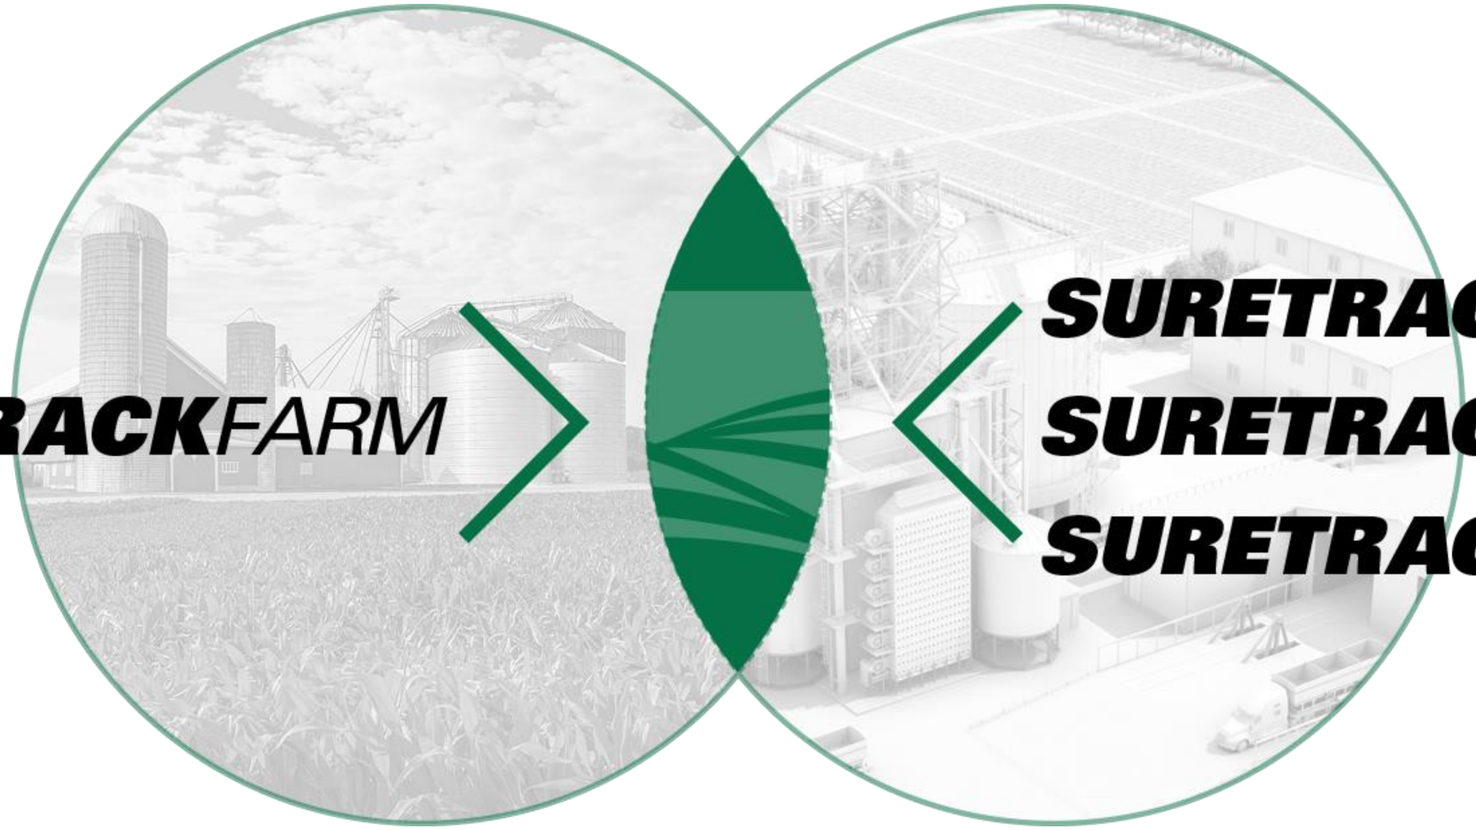
Who is **AGI SureTrack**?

- 17 years in AG Tech Industry
- Over 700 million bu. managed
- Completing the story:
  Seed-To-Plate

AGI SURETRACK
OUR MISSION
Bring profit and value
to your bottom line.

Our Solutions

AGI SURETRACK



SURETRACKFARM

SURETRACKPRO

SURETRACKSEED

SURETRACKCOOP

AGI SURETRACK FARM

Comprehensive Farm Solution

- Select the right seed
- Integrate field activity data
- Manage grain condition
- Market direct to buyers
- Data control

AGI SURETRACK PRO

Complete Ag Operations Management

- Source quality grain
- Create a traceable product
- Manage grower programs
- Schedule deliveries

Growing for Yield or Purpose?

YIELD

- Majority of farmers
- Traditional way
- Controlled by set markets

PURPOSE

- Choose commodities based on opportunity
- The farmer drives the commodity premium
- Consumer demands drives market

YIELDFAX

- 1.5 million+ field trial studies
- 500+ seed companies
- 10,000+ current corn & soybean hybrids available
- 10 years of data
- 1,500+ US counties

FIELDDATAMANAGER

- Weather station and soil probe network
- Maximize growing potential using real-time data
- Energy curve analysis prescribes optimally timed field event activity
- Farmobile® integration provides field level data automation

MACHINEMANAGER

- Easy to install & operate
- Farmobile® PUC logs data for:
  - *GPS location and speed*
  - *Engine: fuel consumption, engine & oil temps, torque and engine load*
  - *Diagnostic codes*
  - *Agronomic as planted*
  - *Application details*
  - *Harvest information*

TANKMANAGER

- Monitor and track propane or liquid bulk tank fuel levels
- Automate refills directly with fuel supplier
- Set alarm status
- View days until empty

BINMANAGER

- Automate conditioning of grain to exact specifications
- Monitor temperature, moisture and CO2
- Optimal conditioning brings higher profits
- No bin entry needed

CASHBIDMANAGER

YIELD Focused Marketing

- Find the best offer, closest offer and highest price available
- Updated daily prices available for specified location radius
- Factors include cost of inputs and transportation per bushel

MARKETMANAGER

***PURPOSE* Focused Marketing**

- Find specific markets
- View LIVE offers
- Earn higher premiums
- Contract directly with buyers
- Schedule deliveries
